Nandini Misra

VFX Artist

About Me

I'm Nandini Misra. I'm a honest, punctual, self motivated, hard working students as well as a quick learner and multi-tasker on this technical industries, and also a passionate creative team worker person. Coming to my technical skills I recently completed 3d animation course and also an expertise on 3d animation, modelling, lighting, texturing; as well as recently graduate, B.Sc. in Visual Effects Film-making and passionate about blending technical proficiency in VFX with a strong understanding of cinematic narrative, aiming to create compelling and visually stunning content, mastering skills in industry-standard software (**Nuke, Maya, Adobe Softwares, Silhouette, Mocha, 3D Equalizer**) and foundational principles of cinematography, storytelling, video editing, rotoscoping, match moving, paint/prep and compositing.
